

# 2025 Minnesota 4-H Purple Ribbon Livestock Auction

**MINNESOTA STATE FAIRGROUNDS  
AUGUST 23, 6 P.M.**

The Minnesota 4-H Livestock Auction of the prize winning animals owned by Minnesota's outstanding young livestock producers will be held at the Minnesota State Fair on Saturday, Aug. 23.

The fast moving tempo of this exciting event, featuring these youthful exhibitors with their purple ribbon lambs, goats, poultry, hogs and steers; the chant of the auctioneers, enthusiastic sponsors, and their rewarding bids and purchases will be featured by the news media of the entire state.

It's the 4-H highlight of the entire year! You are cordially invited to attend, participate, and become a part of it. Every young person, and his or her animal, are champions. They earned the right to exhibit at the State Fair by winning at their respective County Fairs. Because they have done a superior job of selecting, feeding and showing, they will be leading their animals into the auction ring of this "Cream of the Crop" sale, sponsored by the Minnesota Livestock Breeders' Association and the Minnesota 4-H.

**With an increase of over 250% in the past 10 years, the 4-H Purple Ribbon Livestock Auction had another record breaking year for its 44th year celebration.**

**Over \$1,210,000 was raised with 115 animals on the auction block—many going for record amounts.**

## 4-H BREEDING LIVESTOCK INCENTIVE PROGRAM

This program was initiated in 2024, with the MLBA Purple Ribbon Auction and Ames Construction being the lead sponsors. The program raised in excess of \$39,000 that was presented to 69 4-H members that exhibited top placing breeding livestock at the Minnesota State Fair in the beef, swine, sheep, meat goat, dairy goat, and poultry projects. The 4-H specie committees raised matching dollars to support the program.

The MLBA Purple Ribbon Auction, in cooperation with Ames Construction, has committed to be the lead sponsor for the 4-H Breeding Livestock Incentive Program in 2025. The goal is to award over \$50,000 to 4-H breeding livestock exhibitors in 2025. If any businesses or individuals would like to contribute to this program in 2025, please contact Kent Thiesse by May 1 at 507-381-7960 or [kentthiesse@gmail.com](mailto:kentthiesse@gmail.com), listing your pledged amount and the specie that you would like to support.

In addition to the 4-H Breeding Livestock Incentive Program, the MLBA Purple Ribbon Auction Committee allocated over \$70,000 to support the matching funds for the 4-H Auction Scholarship Program, as well as committing close to \$100,000 to support several 4-H educational programs, FFA awards, many other agricultural education programs, and numerous youth related livestock shows. Thanks to the generous support of the many sponsors of the 4-H Auction, this is all made possible.

# 4-H AUCTION SCHOLARSHIPS

Fifty-six 4-H members that were High School graduates received a 4-H Auction Scholarship at the 2024 MN State Fair. 654 young people have received 4-H Auction Scholarships at the State Fair since the start of this program in 1995 to attend the college of their choice. Deserving youth are selected for 4-H Auction Scholarships based on their leadership and achievement in youth livestock programs, as well as their involvement in the local community. The 4-H Auction Scholarship Program is funded through proceeds from the annual MN State Fair 4-H Auction, and through a new “4-H Scholarship Matching Sponsorship” opportunity. Following are the details of the “4-H Scholarship Matching Sponsorship” program:

- There are three levels of scholarships; \$1,500, \$3,000 and \$5,000. Sponsorships are one half the amount of the scholarship (\$750, \$1,500 and \$2,500). Each of the sponsorships will be matched by 4-H Auction funds to create the scholarship.
- 4-H Auction Sponsorships may be a business, organization, individual, or a group of individuals, and they may choose to sponsor multiple 4-H Scholarships.
- 4-H Auction Sponsors will be listed in 4-H Auction publicity and will be recognized at the 2025 MN State Fair 4-H Auction and Sponsors Supper.

## BECOME A SPONSOR

- By becoming a sponsor, you reward a 4-H member's excellent achievement in production, inspiring that person to go on to greater successes and becoming a better citizen.
- Your premium dollars not only support an individual youth, but also the entire 4-H program.
- One of the motivating incentives for youth to engage in the livestock enterprise is to exhibit their animal projects – first at the county fair, and then to hopefully win a trip to the great Minnesota State Fair. The ultimate goal at state fair is to qualify for inclusion in the 4-H Auction. This is your opportunity to help these young people celebrate their success and to encourage them, and others, to even greater heights of achievement. Livestock can play a major role in youth development.

## IT'S EASY TO BECOME A SPONSOR

- Return the enclosed form marked "YES, you can depend on me!"
- Be our guest at an early supper beginning at 4 p.m. at the Compeer Arena. This year's dinner will be sponsored by Compart's Durocs, Mancini's, Captain Ken's and Swanson Meats.
- Sale starts at 6 p.m., Compeer Arena on the fairgrounds.
- If you are unable to attend in person, you can watch the auction live at: [mnstatefair.org/competitions/livestreaming](http://mnstatefair.org/competitions/livestreaming)

## SPONSORS ARE CHAMPIONS TOO!

- You help support Minnesota's agricultural economy, and its most important enterprise—an efficient livestock industry. Animal agriculture is an indispensable base for the economy of the state and nation.
- Grand Champion animals will be on display inside the north entrance of the Cattle Barn during the final nine days of the fair. Signage will be at the site, advertising your business to over 1.8 million people who visit the fair during that time.
- A photo of the animal and its owner will be available for your promotional purposes. You or your company will be listed in the following year's publicity materials, brochure and sales catalog. You will be recognized for your role as a builder for a better tomorrow.

- Reply to the Auction committee using the enclosed postage-paid, addressed envelope. Complimentary admission tickets to the fair and convenient reserved parking will be provided for you.
- Any special advertising or promotional plans for your purchase must be cleared and approved in advance of the sale with the Auction Committee. Auction management and sponsors have made arrangements for the animals at ringside following the auction.
