

2023 Minnesota 4-H Purple Ribbon Livestock Auction

**MINNESOTA STATE FAIRGROUNDS
AUGUST 26 • 6 P.M.**

The Minnesota 4-H Livestock Auction of the prize winning animals owned by Minnesota's outstanding young livestock producers will be held at the Minnesota State Fair on Saturday, Aug. 26.

The fast moving tempo of this exciting event, featuring these youthful exhibitors with their purple ribbon lambs, goats, poultry, hogs and steers; the chant of the auctioneers, enthusiastic buyers, and their rewarding bids and purchases will be featured by the news media of the entire state.

It's the 4-H highlight of the entire year!

You are cordially invited to attend, participate, and become a part of it. Every young person, and his or her animal, are champions. They earned the right to exhibit at the State Fair by winning at their respective County Fairs. Because they have done a superior job of selecting, feeding and showing, they will be leading their animals into the auction ring of this "Cream of the Crop" sale, sponsored by the Minnesota Livestock Breeders' Association and the Minnesota 4-H.

With an increase of over 300% in the past 10 years, the 4-H Purple Ribbon Livestock Auction had another record breaking year for its 42nd year celebration.

Over \$1,025,000 was raised with 115 animals on the auction block—many going for record amounts.

BIDDING PROCEDURE:

Sales catalogs are distributed at ringside. Listed is the name and home county of each exhibitor. Bids will be taken on each individual animal at any amount a ringside buyer wishes to offer as a premium or an award to an exhibitor. The Auctioneer will take it from there in an attempt to get the highest possible price for each youthful owner in this competitive auction.

A check will be mailed to each 4-H exhibitor for the total market value, plus the premium, on his or her animal, listing you as the buyer. A portion of the amount will be retained by the Minnesota Livestock Breeders Association for operating expenses and for 4-H animal science programs. You will be billed for the amount due.

Become a Buyer *Buyers are Champions Too!*

- By becoming a buyer, you reward a 4-H member's excellent achievement in production, inspiring that person to go on to greater successes and becoming a better citizen.
- Your premium dollars not only support an individual youth, but also the entire 4-H program.
- One of the motivating incentives for youth to engage in the livestock enterprise is to exhibit their animal projects - first at the county fair, and then to hopefully win a trip to the great Minnesota State Fair. The ultimate goal at state fair is to qualify for inclusion in the 4-H Auction. This is your opportunity to help these young people celebrate their success and to encourage them, and others, to even greater heights of achievement. Livestock can play a major role in youth development.
- You help support Minnesota's agricultural economy, and its most important enterprise—an efficient livestock industry. Animal agriculture is an indispensable base for the economy of the state and nation.
- Grand Champion animals will be on display inside the west entrance of the Cattle barn during the final nine days of the fair. Signage will be at the site, advertising your business to over 1.8 million people who visit the fair during that time.
- A photo of the animal and its owner will be available for your promotional purposes. You or your company will be listed in the following year's publicity materials, brochure and sales catalog. You will be recognized for your role as a builder for a better tomorrow.
- It's easy to become a Buyer . . .
 - Return the enclosed form marked "YES, you can depend on me!"
 - Be our guest at an early supper beginning at 4 p.m. at the Compeer Arena. This year's dinner will be sponsored by Compart's Durocs, Mancini's, Captain Ken's and Swanson Meats.
 - Sale starts at 6 p.m., Compeer Arena on the fairgrounds.
- If you are unable to attend in person, you can watch the auction live at: mnstatefair.org/competitions/livestreaming
- Reply to the Auction committee using the enclosed postage-paid, addressed envelope. Complimentary admission tickets to the fair and convenient reserved parking will be provided for you.
- Any special advertising or promotional plans for your purchase must be cleared and approved in advance of the sale with the Auction Committee. Auction management and sponsors have made arrangements for the animals at ringside following the auction.

4-H AUCTION SCHOLARSHIPS

Fifty-three 4-H members that were High School graduates received a 4-H Auction Scholarship at the 2022 MN State Fair. 540 young people have received 4-H Auction Scholarships at the State Fair since the start of this program in 1995 to attend the college of their choice. Deserving youth are selected for 4-H Auction Scholarships based on their leadership and achievement in youth livestock programs, as well as their involvement in the local community. The 4-H Auction Scholarship Program is funded through proceeds from the annual MN State Fair 4-H Auction, and through a new "4-H Scholarship Matching Sponsorship" opportunity. Following are the details of the "4-H Scholarship Matching Sponsorship" program:

- There are three levels of scholarships; \$1,000, \$2,500 and \$5,000. Sponsorships are one half the amount of the scholarship (\$500, \$1,250 and \$2,500). Each of the sponsorships will be matched by 4-H Auction funds to create the scholarship.
- 4-H Auction Sponsorships may be a business, organization, individual, or a group of individuals, and they may choose to sponsor multiple 4-H Scholarships.
- 4-H Auction Sponsors will be listed in 4-H Auction publicity and will be recognized at the 2023 MN State Fair 4-H Auction and Buyers Supper.

53 scholarships were provided from the proceeds of the auction and the "4-H Scholarship Matching Sponsorship."

Sponsors in 2022 included:

What is it?

The Champion Buyers' Club is an elite group of supporters who have committed a significant financial contribution to the Purple Ribbon Auction.

How do you become a member?

TWO WAYS:

- Purchase the premium of one or more of the 18 specie Champions or Reserve Champions at the designated commitment levels
 - Purchaser can be a consortium, individual, or company
- Pledge a total of \$5,000 throughout the entire auction to any number of the 115 participants in the event

What are the benefits of becoming a member?

- Champion Buyers' Club banner displayed the remainder of the fair over the Champion Row display visible to all 2 million fair attendees
- Receive an invitation to the Champion Buyers' Club Recognition Gala at a date and location TBD.
 - Enjoy dinner, recognition for your support, and an evening to interact with the auction participant you support

For information on becoming a Champion Buyers' Club member, please contact **Joseph O'Sullivan** at **612-868-8580** or **jossullivan22@gmail.com**.
